

Sinclair  
Broadcasting's  
decision to force  
their stations to  
air an anti-Kerry  
documentary days  
before the election  
is a clear example  
of the dangers of  
media consolidation.

I believe that the  
material to be  
broadcast is neither  
fair nor accurate. I  
am sick and tired of  
the way broadcasting  
companies are using  
their auspices to  
influence the  
outcome of an  
election by  
defamatory  
information rather  
than the facts.

I believe this to be  
in total violation  
of the trust given  
to broadcasting  
authorities and that  
licenses should be  
revoked when this  
happens. With  
elections being so  
close AGAIN, the  
future of our  
country is at STAKE  
and about LIES.
